

## Alberto Fernandez

August 27, 1942 - January 19, 2025

Alberto Fernandez passed away on January 19, 2025. He was born in Medellin, Colombia and made his home in Sunny Isles Beach, Florida. He worked as an embroiderer in the textiles industry.

Private services were held.

Please keep the family in your prayers as they navigate this season of bereavement.

May these words bring comfort to those who are burdened with grief:

My life is but a weaving  
Between my God and me.  
I cannot choose the colors  
He weaveth steadily.

Of't times He weaveth sorrow;  
And I in foolish pride  
Forget He sees the upper  
And I the underside.

Not 'til the loom is silent  
And the shuttles cease to fly

Will God unroll the canvas  
And reveal the reason why.

The dark threads are as needful  
In the weaver's skillful hand  
As the threads of gold and silver  
In the pattern He has planned

He knows, He loves, He cares;  
Nothing this truth can dim.  
He gives the very best to those  
Who leave the choice to Him.

“ The best Dad a human can as for, did everything possible so I can get ahead, saved my life as a toddler multiple times, made sure I received a great Education from William Paterson University , instilled Work Ethic and morals since I arrived from Palisades Hospital, and lastly even when I had a mental health problem and decided for a change of scenery due lack of respect and support, he still treated me as his youngest son and more importantly a Human and had all the confidence in the world in me while down it was An inspiration to me and may he finally Rest in Peace cause he will always be with me and inspiring my future and maybe a future family. Love you sweet Dad and apologize for eternity for my mistakes but I finally get it. Love you Apa
