Alvin D. Boyd

July 19, 1942 – October 29, 2025

Alvin Dellelliss Boyd was born on July 19, 1942, in the twin-island Republic of Trinidad and Tobago to the union of Floretta Leoniza Ruth Nathaniel and Evans Boyd. He departed this life on October 29, 2025. Alvin was the first-born son and one of ten siblings: Carlton (deceased), Eileen, Lennox, Selwyn, Lorna, Michael (deceased), Yvonne, Alan (deceased), and Audville.

At the age of 26, Alvin migrated to London, England, where he lived for many years. In 2003, he and Teckler reunited; they later married and remained lovingly devoted to one another until her passing in 2022.

Alvin's professional life was as dynamic as it was distinguished. He served in the military in England, later becoming a self-taught engineer who proudly contributed to pioneering work on one of the first components of the Concorde aircraft. Over the years, he also worked as a bus driver and earned a reputation as a master builder—earning from his family the affectionate nickname “Bob the Builder.” Yet even with all these talents, Alvin's greatest passion was found in the kitchen. He was an exceptional baker and cook, known for creating dishes that brought joy and comfort to everyone who tasted them.

Alvin leaves to cherish his memory his beloved children—Edwin, Nicky, Kevin, Tricha, and Keith—and he was the devoted grandfather of six grandchildren.

He was also the cherished uncle of Rachael, Hazel, Richard, Ruth, Cassius, Ovid, Dillion, Enoch, Esther, Nicole, Michael, Noma, Abigail, and a host of great-nieces, great-nephews, relatives, and friends.

Alvin will be remembered for his ingenuity, his generosity, his unwavering work ethic, and the warmth he shared with all who knew him. His legacy lives on in his family, his craftsmanship, and the countless lives he touched throughout his remarkable journey.

We extend our heartfelt prayers of comfort and strength to his family and friends during this difficult time.
