“ My name is Sonia Dore. I work with Aretha Smith 20 plus years, and found her to be a very fun, caring and helpful person. Aretha had a love for basketball, and the Have, and the Have Not a show on Oprah channel. At work I would call her Aretha Franklin, and she always answer me. I am going to miss speaking, working, and talking about our showers on Own network..R.I.P my work sister. Condolences to your family.”

“ My condolences to Aretha-Smith families. May you Rest In Peace in the Lord. We will miss you dearly. The God who created you see it fit to call you home at this time, he always knows what is best for us. But as the song says “one day we will understand his reason, by, and by”. May his angel guard the spot where you lay until that great getting up morning when he shall return to call us home. R.I.P
