“ My name is Monicca and I work with Ms. Audrey at Bluegreen. I just learned of her untimely passing and I wanted to express my sincere condolences. Ms. Audrey was a joy to work with and every time I had to call over to her department, she always cracked a joke about me calling over giving her troubled callers, lol. We developed a work friendship and would greet each other as work besties in our teams chat. I remember earlier this year, I was going through a bad breakup and when I called over for assistance with a caller, Ms. Audrey asked me was everything ok. She said she could hear it in my voice that something was going on. I began to tell her what it was and she prayed over me and told me everything was going to be alright! We cried and then laughed at the end, and at that moment, we became work besties! I'm going to miss calling over and speaking with her, and miss our daily chats. To her family and friends, I am deeply sorry for your loss and may her love and light continue to shine through each and every one of you! Ms. Audrey your work bestie is hurt, but i know you are safely resting in the arms of the Lord. Thank you for sharing your light with me in my darkest moments! Love is Love

“ This is Valerie. Audrey and I were friends for over 13 years. She came to my house just about every day and would sit and laugh, and make jokes about our lives. I recently went over to her house and helped her sort bags of clothes for Feed the Homeless. I spoke with Audrey Saturday Evening when she said she was out and would call me back once she got home. I did not call her on Sunday, knowing she was active in the Church. When I called her on Monday, Faith answered and said Audrey had passed. I did not know what to do at the time I was driving back home. I am still in shock, knowing we were very close. RIP, my friend. We loved you, but God loves you best. My deepest sympathy goes out to her Son and Family.

*My dear friend, we didn't talk all the time but we were truly good friends. I am so sad right now. I was waiting for you to post a comment on the skits we watch together and noticed you had not. When I went to your page, I then saw the shocking news. Praying for your son, mom, grandkids and all family members. We have shared a lot of laughs. I will truly miss our talks.*
