“ Sincere condolences from the entire Robert Rigby Jr. Clan (Deceased brother of Beatrice) from all over the world especially from The Bahamas, The Turks & Caicos Islands, U.S.A., and Europe. I'd like to also express sincere condolences from myself and parents Thelbert (Casse) and Juanita (Anatol) Rigby. The Long, Rigby, and extended families are in our prayers. As Beatrice known to me as "Aunt Bee," I have very few memories of her due to geographical locations etc. However each time I met her, it was always a pleasant one and I felt the love and pride of being "a Rigby." I was always amazed of the Rigby genes being so strong and seeing several of my aunts (my father's sisters) resembling her. The youngest aunt being Beautina...is the splitting image of my Grand Aunt Beatrice in my opinion. These past few years I've had the opportunity to speak with her on the phone a few times. I enjoyed and we talked as if we did for years. I had so many more questions to ask her...as she was full of family information. She was a sweet person and will certainly be missed by her husband, children, family, and friends. In the end, she fought a good fight...She's definitely a Rigby...a fighter...A fighter with God on her side...She has not lost a battle...She has won...and is now on the winning side in that heavenly abode...Aunty..." May holy angels lead you forth to paradise, And may the martyrs greet your coming home. May you find welcome there within God's dwelling-place, The radiant city, New Jerusalem. "May she and all the souls of the faithful departed rest in peace and rise in glory. In His Service, Archdeacon Scott C.E. Rigby

“ Sending my condolences to the Long family. I know this is not a part of life’s journey that is easy for anyone. A mother’s love is forever. Always remember to be absent from the body, means to be present with Lord.
