“ *Ray, as I knew him had a great mechanical mind for repairing any vehicle. I met Ray in 1981 when I married my husband who Ray would hang out with. Ray showed compassion for those who were in need of their vehicle repaired by fixing now and letting the person pay him later on their word. I had the pleasure of meeting his beautiful wife who is now again with Ray. Ray, I thank you for all the times you came to fix my car so I can get to work. You will be greatly missed.*
