"Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also. And whither I go ye know, and the way ye know. Thomas saith unto him, Lord, we know not whither thou goest; and how can we know the way? Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me."

“ *Hey Ma. I’ve been avoiding this as you know I don’t do well with things such as this. I am still in disbelief that you are no longer here with us. Your last conversation is replaying over and over again in my head. I guess you can continue looking for your Spanish boyfriend up there in heaven (lol). You would always tell Shenelle and I that we are sisters and that we have to look out for each other. Rest assure I got her 110%!! That’s my sister and she will be good. You are missed dearly but your memories will live on forever!! Love you Ma ðŸ™*

“ Hey Mama BJ, Ma as I referred to you. I am going to miss you so much, and all the conversations we would have about politics home on St. Croix, and the basketball games. You would ask me if I knew that person from such and such place, I would say I have to see the person, but most of all your warmth . Mama BJ you made me felt warmth whenever I was around you. Until I see you in heaven where we can chit chat stay smiling with that angelic smile.

“ *Brenda Gail..our cousin?(you said), our friend.*

We grew up together in the same neighborhood. Went to the same school. You graduated a year after we did but, we were still able to be there for each other.

You and Yvonne (Mrs Hendricks) worked together at Alfredo Andrew's School. Who would have thought you would one day meet again.

Then, you joined Friedensthal Moravian Church (not Catholic) where we enjoyed services together.

Thank you for the daily inspirational messages we shared on Whatsapp. We will miss those correspondences tremendously.

Thanks also for just ordinary phone conversations to exchange info from home since we are all not living in STX anymore. We would also converse about family members..your Uncle Leroy Plaskett and your cousin Lynn (Raymond's daughter).

Rest in eternal peace our friend.

Yvette Petersen and Mrs. Yvonne Hendricks (the twins).

“ “Every new beginning comes from some other beginning's end.” My tears are saying what my words cannot. Goodbye, my dear friend. Even though you’ve gone out of my daily life, you will be forever in my heart. Good friends never say goodbye. They simply say, See you soon.” So, my friend we'll see each other again. Thank you for allowing me to visit your family and getting to know them so closely ,I’m so glad we were able to spend time together as friends, and I will always treasure it. It’s time to say goodbye, but I think goodbyes are sad, and I’d much rather say hello. Hello to a new adventure.” I want you to know that you’ve meant so much to me and my family. Words can’t say what I truly mean; I just want to say that I loved our friendship that we shared . I will never forget you You will continue to be forever in our hearts and I will continue to pray for your family.

“Tribute to the Family of Brendagail Joseph I am very Saddened to know of Brenda's death. I know the Family is Grieving, and my Family Grieves too. We will Miss her very much. To the Children, Be Comforted to know that your Mom loved all of you Unconditionally. She often told me how much she loved you all. She Worked Very Hard to Provide for all of you to have a Better Life than she had. I first got to know her Working in the School System of the Department of Education. As the Research Analyst I Collected the Data from the Schools in the Territory, and we became very good Friends for Many years. She Introduced me to most of her Family and Friends. We Visited each other often, and her Children Visited me too in St. Thomas. I was also Invited to spend time with her Family in St. Croix to Happy Events in her life, and Sad Events too. She was a very good friend to me. She embraced me into her Family. Not only me, but my Family too. She was a very Loving, Kind and Generous Person. She shared what she had with Others. There are so many Memories of Brenda that I will Treasure. I cannot forget Her. Hyacinth Trecia And Miller

“Dear Brendagail: I remember when I came to work at the Alfredo Andrews School as a secretary. We created a friendship that would last forever. You would always call to check on me and asked about my children. You loved them a lot. We would have long and meaningful conversations. I will miss your smile and that chuckle when you laugh.
