And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. John 14:1-3...

“ I am deeply shocked and very upset that Brian passed away. "B," as I knew him and many others, had the kindest heart that anyone would ever know. He was an amazing person who was very compassionate, especially his devotion to his nephew. I always respected Brian for his character and candor. I got to know him when we worked in the same office. "B" was most helpful in his knowledge of the office territory and many other matters. Brian had an amazing sense of humor and in several instances, kept me calm when tensions arose in the office. I will miss Brian greatly, not for just myself, but especially for his family and nephew. We lost not just a friend but a great role model that all of us can be proud of. May God Bless Brian and the entire Williams Family and have comfort in their time of need!

“ *Please allow me to offer my condolences to the family with these comforting words based on Revelation 21:3-5: "Look! The tent of God is with mankind...and God himself will be with them. And He will wipe out every tear from there eyes and death will be no more neither will morning nor outcry nor pain be anymore. The former things have passed away." I hope this scripture bring you some comfort during this painful time. Sincerely, Ellie*
