“ Farewell and rest in peace, sweet grandpa. May my grandpa rest in peace and be free from all suffering. May our family's patriarch rest in peace. Now that his work on earth is complete, may my grandfather's soul rest in peace. May your soul find eternal rest, my amazing grandfather. I vow to keep your memory alive; my wish for you now is that you rest. You fought a brave battle with [illness]; now it's time for you to be free from pain. My heart is broken, grandpa. I don't know how to let you go. While I would give anything for more years with my grandfather. May my grandpa rest in peace, but may his strength and love live on through our family. He sowed seeds of love and wisdom here on earth that will continue to bloom forever. While I don't yet know how to rest easy without him here, may the force of nature that was my grandfather rest in peace. Gramps I am eternally Grateful for having you a part of my life .
