“ I wasnâ€™t going to write anything, because it makes it so real, but where do I begin!! From your birth to high school so many memories!! Yeah people may thought you were the biggest, loudest or maybe even the rudest!! That was just your personality!! When in truth you were a genuine gentle giant who loves there family!! You were the life of the party, the silliest!! Remember when you smoked the incense in my momâ€™s basement!! I can see you now dancing, bop then cuz! I know we are going to miss you down here, but a lot more missed you in heaven!! Know that you are loved, adored and very missed!! Crazy you just give a big bear hug, if lâ€™ve known it was my last! I would have held on a little longer!! My little big cuz, the family protector, a great father, son, cousin, nephew, uncle most of all brother!! Hold on to Nikki! We got her, but she needs you! One more thing little big cuz why sis you drink that blue paint!! lol you got us cussed out by everybody!! You know be a past tense memory, but one that will forever live on in truth and heart!! You played by your own rules!! Much respect soldier!! Love you always your little big cousin!! Kiss granny for me!! Forever Adored and LovedđŸ™đŸ™

“ Your aura, your presence, your smile , the respect others have for you , the family ties and bonds, just being you would light up an entire room when you walk in. The bright, bubbly fun & , entertaining spirit you have always attracted soooo many ppl your way. We always had nothing but laughs and smiles with you. Called you for whatever and you would pull up ASAP ready for whatever. This is sooooo unfair and undeserving to you and the family!!!! IM SORRY IM SORRY IM SORRY! Always loved and forever missed and respected. See you later you will be truly missed until we meet again! Get your rest fam

“ Cedrick was the baby of the family and had kept our parents on their toes since he was little. Always wanting to do things his way! It was only his way or the highway! Being the baby brother, he drove all of us crazy. We would fight and argue, but you can’t deny the love we have for each other. Boy, he knew how to get on anybody’s nerves, but he was a big baby. My momma & Daddy’s big baby. He knew he had a soft spot in my momma’s heart. No matter what he did, he knew our momma was going to come through for him. A bond only a mother and son would share. Now he’s gone and only a memory. His personality was as big as him, the life of the party. God created him just like he wanted him to be. Until something like this happens, you never really know how much you will miss a person. I know I miss that boy. You had to know him to love them. One thing he was going to do was ask his sister for some fashion advice. Or to go cook something to eat. I was his Malibu Barbie! I must say my momma spoiled him. More importantly, she kept him in prayer and on the prayer line. Praying for him daily, trying to get him where he needed to be. Not going a day without checking on him. The Thursday and Friday before he left us, he called me just to tell me he loved me with tears in his eyes. I didn’t know why, and he’s not the type to just call and say I love you I. I asked my momma if he was OK after the phone call. We talked about him getting a cooking business. Gold figure. Look at him. You can tell he likes to eat. I could go on and on about Cedrick. However, just please pray for my mother. I know the void in my heart will forever be there. The void in all of our hearts will always be there. I even want to try to understand it. I’m going to miss our little brother. People loved him ! It’s so sad and unfortunate. I will forever have you in my heart !
