“ Met "Muscles" on Knoxville College Campus when i was attending Beardsley Jr. High School. He use to pick on me everytime he would see me. He was someone i was happy to know. He looked out for me & often would encourage me to stay in school and get an education. Anybody who knew "Muscles" knew he was a good dude to hang around with. He was a hell of football player too. Gonna miss you "Muscles" but i know you're in a better place. (SirDavid Stephens aka "Steve tha flaming Star")

“ Going to miss you Uncle Charles! You were a big inspiration to my life, my siblings, my mom, and Nana. You always called to check on me when I moved to Florida and kept telling me about the train being built so that I could go down and see you Chanel and the girls. I will always remember when for your wedding we all were eating KFC and Nana was choking on a chicken bone and no one noticed but you and you had saved her because she couldnâ€™t breathe. That was such a funny moment that I will cherish for the rest of my life. You made sure to call my nana and pop everyday even as you got sick and I know my nana is going to miss you so much and I will make sure to be there for her as you were. Love you forever Uncle Charles and lâ€™™m praying for Aunt Chanel and our family as we all loved you so much. Rest easy and lâ€™™ll see you again â ěŸ•Šĵ,
