Let not your heart be troubled. You believe in God; believe also in me. My

Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. John 14

“ I am sorry to hear about your loss. The Bible assures us God is near to those that are broken at heart; and those who are crushed in spirit he saves. May these words bring you both comfort and strength during this difficult time.

“ Bubba was a wonderful man whose life was cut way to short. Bubba and I were teammates at New Mexico State and although we didn't remain in close contact throughout the years, I have always had many fond memories of our experiences together at NMSU. We shared a lot together as incoming Freshman and Bubba was one of the first people I met. What I saw then, is the same man I saw four years later when our playing days were done. A super man with a great sense of humor and a very sincere, welcoming smile. God has to be so happy to now have Bubba as a member of his Team! My thoughts and prayers are with Bubba and the entire Wanza family in the many days and weeks ahead. God's speed Bubba!
