“ Carlton, Thank you for a union of 30 years that produced our four heartbeats: Calvin, Joshua, Brianna, and Ian. You were an ever-present father attending school functions, sharing your wisdom, wiping away tears when they were in pain, and celebrating their successes. You taught them how to dream big, execute their vision and bless others every step of the way. Most importantly, you gave them the gift of having a God-loving father. We thank the most high God for every year, month, day, and hour with you. Your fingerprints are forever in our hearts. Shaante Dunn-Collie
