“ Dan and Beverly, we never had the opportunity to meet Wardell during his lifetime, but we know the both of you. Because we have recently experienced the loss of a brother, we can readily identify with your loss. Be encouraged to remain faithful to the God we believe you know personally and be the strength your family needs you to be for them during this time of bereavement. Our prayer is that the Lord will limit the emotional reactions of bereavement in your family to include anger, guilt, anxiety, sadness and despair. We love you guys.
