In Loving Memory of Denston Augustus Bacchus

Sunrise: December 9, 1948

Sunset: August 20, 2025

With hearts filled with reverence and gentle reflection, we announce the passing of Denston Augustus Bacchus, who entered into eternal rest on August 20, 2025.

Born in Richland Park, St. Vincent & the Grenadines, Denston carried the rich heritage of his island roots with quiet dignity and grace. He dedicated much of his life to education, serving faithfully as an educator with the U.S. Virgin Islands Department of Education. In his later years, he made his home in Orlando, Florida, where he lived peacefully until his transition.

Though not widely known, Denston's impact was real—marked by his commitment to knowledge, his quiet presence, and the value he placed on learning and legacy. We believe his life was a testament to the truth that significance is not measured by popularity, but by purpose.

Private services will be held. Final rites will take place at Postell's Mortuary, 811 North Powers Drive, Orlando, Florida 32818.

“The Lord is close to the brokenhearted and saves those who are crushed in spirit.” — Psalm 34:18

“ I knew Denston Bacchus as the wonderful husband of my friend Audrey, and as the Christian father to former students Dwayne and Roy. He had a way of being very serious. Yet, he managed to be rather approachable and ready to share wise counsel about dating and family matters. I was deeply saddened to hear of his pain and eventual passing.

Dearest Audrey. Praying that you, Dwayne, Roy and extended family can accept our deepest condolences, during this season of grief and loss. Were it possible, I would be at your side in person. I cannot imagine your pain.

Continue to look up, my dear friends. May the blessed hope of Jesus' soon return buoy your spirits. I believe that we will see your husband, father ... loved one again. What a Hallelujah moment that will be! Know that you are loved and thought of daily, until that day.

Take good care. I also look forward to seeing you again, soon. 🙏❤️
