“ Divinity , i miss you & i hate myself for how things ended between us. I hate i never got to right my wrongs with you and i hate that when never lâ€™m down or feel like giving up itâ€™s you who pops up in my head. Your drive , your determination, motivation and just being the most incredible person lâ€™ve ever met pushes me to want try be even half the person you was to me to myself . I love you i miss you and lâ€™m be praying to you tonight hopefully cause knowing you , you forgave me! I need to learn to forgive myself for missing more time with you. I love you & i miss you !!

“ I Loved you just like you were mine along with your other siblings . Your smile was infectious and you loved life like nobody's business, danced every chance you got . You didn't know I was watching you from afar doing what you loved to do on Tik Tok . I will miss your drop in visits to Atlanta when I find out you were there telling you to make sure I saw you before leaving. You will truly be missed , until we meet again.
