“ *I was a student at USF, when Donzel was a player. I remember him having a tremendous amount of heart and being a strong player. He was one of the first players I remember from my college days. I heard about his passing and ran across this memorial site. I simply wanted to send my condolences. I never met Donzel, but simply remember him for his strong play and character. I simply was a fan of his play and USF basketball. I am simply a fan who remembered him. Rest easy Donzel.*

“ My heart is torn! I'm devastated and it's so hard to accept! I know you're with your Maker because he needed you more than we did here. Your laughter, your smile, your kindness and your giving heart will be cherished by all you touched! I was so privileged and honored to be one of them! My heart is missing a piece you have taken with you. Please watch over us all! We will see you soon in Paradise! We love and will miss you! I'm in utter disbelief... ðŸ”

“ My heart felt sympathy to the family of Donzel. What a respectable young man he was and great basketball player indeed. The first time I met him I accepted Donzel as a son. I felt such a relief to hear Chucky n Donzel were roommate. To the parents, what an awesome job you did to raise such an outstanding young man. Earth has no sorry that heaven can not heal. The God of all comfort; WILL wipe all tears from your eyes. My continual prayers will be you all.

“ I had the pleasure of working with Donzel on what was my first civil jury trial. He was wonderful, professional and a very peaceful, kind man. I'm sorry for your loss. He will be missed.

“ My hero as left this world and now he's up in Heaven watching us with that smile and big heart! I'm really going to miss him. I could just tell him anything and I know it stayed with him! I'll never find another Donzel cause he was unique. One funny moment some kid ask him hey do you play basketball Donzel smiled, I said no " he plays soccer and he's the goalie and he blocks all the balls!" If you know your Rap history, whenever I'll see Donzel I'll say who we rolling with we'll say we rolling with Rush!! (RUN D MC)! Peace cuz going too miss you I'm still in a state of disbelief.

“ Donzel was clearly one of the most professional members of our 11th Judicial Circuit. His example was one we can all follow and one which will dearly be missed. He was a wonderful man who was praised and admired by all he encountered. My deepest condolences to his family.

“ Donzel was an integral part of our team as my bailiff in the Miami-Dade County Court Civil Division. In my 24 years on the bench, he was the BEST bailiff I ever had, bar none. He was dedicated and diligent; his great attitude was only outmatched by his wonderful aptitude. Simply put, Donzel did his job and he did it well. He was patient, kind and respectful to our court family, litigants and lawyers alike. Heartbroken at his sudden loss, I pray that he knew how much I really appreciated him! Sincere condolences are extended to his family. Donzel Orlando Rush left many stones of remembrance and will never be forgotten .ōŸ™ōŸ¾ōŸ™ōŸ¾

“ There are no words to express the feelings and emotions that this family is experiencing at this time. However, I can speak on the character of this gentleman and will be the first to say that absent from the body means he's present with the Lord. We worked together until his last day and he is truly missed. I will never forget the memories we created, the laughter and our daily routine to get through the work day. Spread your Wings and Fly Angel, but most importantly to the family, Keep your head held high because he became family wherever he landed. R.I.P "D"
