I go to prepare a place for you. 3 And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be

also. 4 And whither I go ye know, and the way ye know. 5 Thomas saith unto him, Lord, we know not whither thou goest; and how can we know the way? 6 Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.

“ Mrs Glasford was a very warm, kind hearted and welcoming lady, I recall our last Dinner out together in Sept 2019, not knowing it would be our last time celebrating an occasion, we did had a great time. Oh Mrs Glasford Iâ€™m going to miss hearing your voice in the background when I call and my yearly visit to your home visiting you. We ask the Lord why but he knows best, You have done your work while on Earth, and itâ€™s bye until we meet again, RIP.

“ Mrs G.â€”The name Iâ€™ve affectionately called you half of my life, youâ€™ve been an inspiration to me throughout the years. You were one of the most decent, warm, genuine, comforting and sincere woman I had the privilege of knowing. Thinking back fondly of Talking to you and you giving me the most heartfelt advice, knowing you had nothing but my best interest at heart means more to me than you will ever know. My most memorable moment with you was when I was just a young man facing one of the most fearful and major moments of my lifeâ€” you taught me to step up and be a man, and you had my back when most wouldnâ€™t. I had the pleasure of speaking to you recently and it was always like back in the day, so cheerful, so full of joy. There will never be another like you and Iâ€™m a better person knowing you. My heart goes out to Carl, Eustace, and Naudica, all your grandkids, family and all who have known you. The world has one less angel on earth. But we all take comfort in knowing you are looking down on us from heaven.

“ *Mrs Glasford was 1 of my Primary School Principals. The others I cannot remember, but her I always will. She lit a spark in our learning and made no bones about us knowing that not because we were from Monkey Hill, we could excel. We proved her right. So many of us in fact innumerous amount of us have excelled and are continuing to excel who attended the St Peters/Dean Glasford Primary School. We made her proud. Though she is gone on to a rest well desrved, she has paid it forward in so many lives. Carl, Eustade and Nordica, Her living was not in vain. May God give you strength as you say goodbye.*
