“ *As the neighborhood kid that I was. I would go to the Neely house looking for Angie and Anita to play soft ball with in the church house field. And I would see Ms. Neely and I would say " hi Ms. Neely". And she would say "hi" with always a smile. Ms. Neely was the sweetest Mom , she never yelled at me nor told me to go home. My sincerest prayers and deepest condolences with big hugs and love*

“ Ms Edna Neely was my precious godmother. When my mother passed she became a mother figure in every way I needed. She was not only my mom but mother to my siblings as well. She was a loving caring generous gentle person with a welcoming smile. I could call her at any time day or night and she would guide me with loving words. My Godie as I called her was a woman of God with Grace and Character and who will be truly missed. I will always treasure the memories and will always remember her as my Godieâ

“ Mrs Edna Neely was my precious Godmother. I will never forget her unconditional love and support she gave to me and my siblings. When my mom passed she stepped up and became the mother figure I needed. I could call her at any time of the day or night and she always had the right words I needed to hear. She believed in showing and expressing kindness and love to everyone but to me it meant so much more because I knew she was a woman of God Grace character and faith. I will miss you Godie but I will never ever forget you. âĶ,âĶâĶ,âĶ©Ķ·âĶĶĶĶ¹
