“ *My family and I were saddened to hear of Edris' passing. We thought she was recovering slowly, and we looked forward to hearing her caring voice once again, but her Heavenly Father needed her more. We all knew Edris to be a kind and quiet individual, but when she gets to know you and observe the sincerity, she would talk with you for hours. I will miss her dearly and our chats about our homeland, education, Catholic religion and, of course, national politics. Please accept our heartfelt condolences to all her family and friends, to include her stepdaughter, Kim, and her loving and most caring brother, Everton. Stay strong in the Lord knowing that Edris is absent in body but present with her Creator. May she rest well in Glory!*
