“ Ed, you are missed already. I enjoyed fishing with you, playing Madden and most of all your prayers. I will always remember the first time we met and I lost my wallet. You asked God to place angels around my wallet to protect it. We went back and found my wallet on the street, as people walked right past it. Thank you for that and all the fun we had fishing together. I will always remember that big porgy I dropped back in the ocean. You kept saying bring it in, bring it in. I kept saying â€œI got it, I got itâ€ , as the fish looked me in the eyes, winked and jumped back in the sea. God bless you, man!
