Please leave the Family a note of Condolence, light a candle of remembrance, or order a floral remembrance piece. Let not your heart be troubled. You believe in God; believe also in me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. John 14:1

“ *Extending deep and heartfelt sympathy to you and your family during this difficult time. Words however kind can't mend your heartache but those who care and share your loss, wish you comfort and peace of mind.*

“ *You know you broke my heart. I'll be here supporting your family until the end of time. All I can think about is "If only..." baby boy. Everything about you was perfect, I mean PERFECT. I lost my soon to be husband and my children's father. We talked about our future so much, we had so much planned. When everything falls in place, I'm going to make sure I visit you every month. You brought me so much happiness and I know I brought you the same because you showed it. I forgive you baby, but my heart is aching. If love alone could have saved you, you would still be alive. I Love You Officer Williams.- your Babygirl C.*
