“ From the moment I seen Eric (I worked for his pediatrician for many many years)I knew he was special and he stole a piece of my heart that day .Each time He came into the office he left me with a smile on my face he always made the day brighter with his happy personality .Having the opportunity to know him was a blessing he will be remembered for ever . My thoughts and prayers are with each and everyone one of you during this difficult time .

“ I am sorry for your loss. Please allow God to comfort you through this painful loss through His promise to care for our dead loved ones in the resurrection at Acts 24:15. Death was not a part of God's original purpose for mankind and that is why it is so hard to deal with this kind of loss. But our loving Heavenly Father has provided a solution to all of our problems including sickness, old age and death through His kingdom{government} in the hands of Jesus Christ our Lord real soon so that we can enjoy the wonderful life He purposed on a paradise earth. {Psalms 37:9-11,29}
