“ As long as I can remember going down to visit Aunt Jean I can recall nothing but very pleasant memories nothing but good times ever since I've been in this family since I married her baby brother Alfred's daughter Florian which is closing in on 45 years now. Aunt Jean's love for God has always been an inspiration to me and the many spiritual conversations that we have had thru out the years still resonate with me. One of the last visits to see her at her house not long ago before she was hospitalized she was showing off some of the moves she was doing at exercise class and from a sitting position raised her leg up over her head and almost made me pass out because I was hurting just from looking at what this 90 plus year old woman was doing and it was making my joints hurt. Let me tell you just to see how limber and agile she was at her age was truly a blessing and inspiring indeed. Even when we saw her at the facility where she last stayed her wit and humor and faith was truly remarkable and worthy of imitation.

*Her quiet but somewhat stern demeanor was somewhat intimidating in the beginning of our getting to know each other but eventually grew into something very special that I'll truly treasure. She will be truly missed but remembered. Looking forward to the day when you are awoken from your sleep just as Lazuras was whom Jesus himself called out to him from the grave to come on out ! True are the words of our Lord and Master Jesus that said, "I am the resurrection and the life, the one who exersises faith in me even though he dies will come to life". Love ya Aunt Jean*

“ My Aunt Jean was one of the sweetest, most laid back women you could ever meet. She was a woman of few words, but her presence always meant something. Growing up, we would all get excited when Auntie Jean and Joe came to town, but honestly some of the best memories were going to visit them in Dania. Spending summers with them was definitely a time 💕💕

The last time I pulled up on Auntie, she was happy as always... but baby she did not play about those Covid restrictions 😂🙄 She stood right on that porch waving and keeping her distance.

Those little moments and memories mean everything now. Rest peacefully Auntie Jean 💔  
Love always and forever your niece Candyce

“ I remember Mrs. Byrd spending time with me during my tween/early teen years. It was a very difficult and challenging period in my life. Her kindness and beautiful smile have been cherished memories. Her cheery greeting, classy style, sincere generosity, and loving presence left an indelible mark on my heart. I am deeply grateful for the care and support she gave me. Her life is one that has served as a guiding force as I have navigated my journey. May her light continue to shine through the lives of everyone she touched.

To the family: please accept my heartfelt condolences and prayers. May the Holy Spirit comfort, protect, and guide you as you remember and celebrate the life of your beloved Eugenia Byrd.
