“ *Forty, yours was a useful life, you wrought well here. You were generous with your time as you toiled from year to year. Many a life you did touch, always doing your part, glad to help when called upon with a meek and humble heart. You will never be forgotten though you have passed away. The deeds you left behind will live on each day, sleep, sleep on, take your rest. This act of God, we dare not question, for he alone, knows best.â€ With Deepest Sympathy.*
