“ Nakita, This journey you are currently navigating is undeniably challenging and deeply personal. The love and affection of a mother is irreplaceable. We genuinely wish we possessed the words to alleviate or lessen the overwhelming sorrow you are experiencing. It is beyond our capacity to fully grasp the profound magnitude of your loss, as the grief of this nature tends to consume and devastate. Nevertheless, we remind you that Frieda will forever occupy a cherished place within your heart. Her memories, the love she shared, and the guidance she provided will endure, serving as a lasting legacy. We pray that as you journey through this grieving process, you experience "the peace that passes all understanding" and treasure the beautiful moments you shared with your beloved mom. Above all, may you find solace and tranquility in the presence of the Lord and gain strength in the power of the Holy Spirit. We send our heartfelt thoughts and prayers. Please know you are not alone; we hope these words offer encouragement and care. Remember that we care about you and are here to support you. Be encouraged. The Rogers and McKay Family.

“*Nikita, words can not express how deeply sorry I am for your lost. It is very rare to come across people who make amazing friends. Carroll I find myself to have you as my friend for over 30yrs. Thought out the years I have valued your friendship, your kindness and thoughtfulness. You gave so much of yourself and expected little to nothing in return. Your job here is done. Sleep well my friend*”*.you will truly be missed.-Fuller*
