“ *Gail and I worked together at DOOLY SP. She was a dear and precious friend and ALWAYS had a smile and a kind word. Loved her. Sorry I didn't tell her enough. Lost touch after I retired and did not know she had been sick. I am praying for comfort and peace for your family as you adjust to life without her. But I believe we will meet again soon. Sincerely, Gwen Bush*

“ I worked with Gail for several years at Dooly State Prison. Gail was a very special friend to me. She always had a smile on her face and was willing to help anyone with anything. We were birthday buddies. She will forever have a place in my heart. I know she loved her family tremendously. She was very proud of every one of you. At our monthly meetings she would always say "I just love everybody" and then she would give us a great big smile. We all loved her too.
