“ *Lenny, you were not only a loss for all of us at work, but also for my kids Aubrey and Bryce. Each morning walking into the building to see you, through the double door was a routine my 2yr old Bryce would enjoy. Listening to you call him "My boy!" as he would extend his arm to you. I can't believe that he is still expecting to see you each morning as he calls your name coming around the corner, this gives me deep sadness. Rest in peace, we love you. Bobby Jo*

“ I want to thank you for everything you did for our school and for putting a little fun in my day. I will never forget our times during the pandemic, and how I felt safe you were around our empty school. I am grateful for you being a part of my daily life, just seeing you in the morning for " our coffee meet" was a pleasure. I will never forget you my friend. Till we meet again. I will forever miss you. Adela Perez
