“ I am lighting this candle in remembrance of my son - the son I never gave birth to, but whom I loved deeply from the first day his father introduced us to each other. He was only seven years old, but he stole my heart. Honey, you're gone before me but just remember when we meet again, you'll be able to lay your head on my shoulder and feel the back of my arm just like you just like you did when you were a kid. Forever in my heart...MomöY”
