

George Wilfred Lightbourn

May 25, 1948 - March 20, 2025

George Wilfred Lightbourn passed away on March 20, 2025. Born in Nassau, New Providence, Bahamas, George was a hardworking and skilled master electrician who took pride in his craft. He resided in Miami, Florida, where he built a life rooted in dedication and love. A devoted father and a man of unwavering strength, he faced life's challenges with courage and grace. Widowed and now reunited with his beloved wife, he leaves behind a legacy of love, dedication, and resilience.

Please keep the Lightbourn family in your thoughts and prayers during this time of loss. You may also support the family by leaving a note of condolence, sharing a memory, lighting a candle of remembrance, or sending flowers for the service.

May these words bring comfort and peace:

God saw the road was getting rough,
The hills were hard to climb.
He gently closed your weary eyes
And whispered, 'Peace be thine.'

Your work on earth was done with grace,
Your hands now rest in heaven's embrace.

We'll cherish every lesson learned,
Every loving word you spoke and earned.

Though tears may fall and hearts may ache,
We find our comfort in the love you made.
Your spirit strong, your faith unshaken,
Guides us now through paths you've taken.

We know you're safe within God's care,
Reunited with your love up there.
Until we meet again one day,
Your light will guide us on our way.

“ To. The Lightbourn Familia.

Was deepest sympathy for your loss.

Every memory and every tear is a celebration of life well lived and a friend well loved. Mr. Mr George W lightbourn is an individual came to this country and worked hard to be a provider to his family. So I say that he had integrity loyalty Duty to his family co-workers and community.

I will remember him, when I first met him we greeted each other with respect and affirm handshake. And laid it down the road we will meet again in which he welcomed me at a time when we moaned one of his loved ones his daughter LaShawn.

He provided a place for me to stay and invited me to sit down and feast with his family and I am so forever thankful and grateful for that he will be missed by many as well as myself he will live in eternal life with his loved ones and the Holy Spirit above he's well in good hands God bless to his whole family. “ *Mr. George W. Lightbourn.*
I would say it's a pleasure and honor to meet such an individual as him who shown integrity loyalty and Duty to his family co-workers and community. I first met him in the state of Georgia had his daughter's home Kendra while on my way to pick up my nephew and take him on the road trip. He greeted me with respect and the firm handshake. And then in the summer of 2013. I met him again. He provided a place to Me, to stay and welcome me to feast with his familia. On a day when we mourned the passing of his loved daughter- LaShawn. But I say that Mr George will be missed and will embark on a second Journey of life eternal life and be watching down on all his loved ones & family. And I am sure that he will be using his master electrician skills to brighten the path of light for all of us to follow and find our way in life. Until our time comes when we all sit in one big table and feast as one big family. under House of Lord. I am honored and very thankful to have met him. Into his family God bless you all and good health and Longevity in this life. From: Daoul & The Rivera Family.

“ *Hello Mr. Lightbourn 🙌
You are definitely going to be missed especially your smile! ❤️☐ I still remember the days first meeting you and your wife at Kendra's house eating fried conch and conch salad. The food was so so good, it didn't matter how much you already gave me, you said I could always have more. I think by that time, you knew I loved to eat! 🍷 I also remember coming home and finding a big box of mangos 🍌 on my front porch you shipped to me from Florida to Georgia. I just want to say thank you for everything Mr. Lightbourn!*

“ I didn't know Mr. Lightbourn personally only through the great things his daughter Kendra would say. Kendra is my sister from another mother. She is strong, thoughtful, loving, independent, and would do anything for the people she loves. That is due to the type of man and father Mr. Lightbourn was. Sleep in peace Mr. Lightbourn. God has you now.

To the family, my sincere condolences. May God cover you all during this difficult time.

Thinking about my friend, " George Lightbourn," my brother in Christ. A study I did Concerning Nehemiah, A book written by, Charles R Swindoll, " Hand me Another Brick."

My thoughts are, quote, The Enemies ask, " Where are you going?"

I've got to go get some sticks

You're going to get some what?

You're going to get some sticks.

For what?

For shacks

You.re going to get some sticks to build shacks

Right, Come on, kids. There are some branches over here. I need you to Cary a handful back.

This was George, my friend all his life.

“ *For years as a neighbor, I called Mr. GEORGE "Jorge" (Spanish). My condolences to the family Kendra & brothers. Jorge was very attentive and alert as a neighbor.*

Our children grew up together and graduated from High School. I will always remember his special and seasoned Caribbean dish during Christmas time. We both loved to cooked & share our Caribbean dishes as neighbors.

Once I moved to Central Fl in 2015, we kept intouch. (Texting & phone calls) He kept his faith in God's power strong during his health condition.

I surely will continue to 🙏 for the Lightbourne Family.
