And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. John 14

“ I am sorry to hear about your loss. The Bible assures us Jehovah is near to those that are broken at heart; and those who are crushed in spirit he saves. May these words bring you both comfort and strength during this difficult time.

“ Dear DaddyAs my tears fall I continuously think back to times long ago when you would be the strength that my life would be built on. You have taught me some much in my younger years that lead up to my adult years and those lessons/conversations will forever be grateful. Sometimes I wish for you to come back and still be here with us but I will never want you to suffer ever again! I know you are with us and I will always cherish every moment we shared since I was born and though they are the most joyful/sweeties memories my tears just wont stop falling. You will always be MY PROTECTOR, ADVISOR and will remain in my heart FOREVER AND WILL BE TRULY MISSED
