Gloria was a excellent caregiver to the patients and wonderful to work with. Veronica told me of Gloria’s passing and I immediately prayed for Gloria. May she RIP. “ *In loving memory of our dear cousin Glo, who touched our lives in countless ways. As we bid farewell to a remarkable soul who lived a long and fulfilling life, we remember her with fondness and gratitude. Glo's unwavering commitment to her faith was evident every summer when she selflessly took us to Bible school. Those cherished moments of learning and spiritual growth will forever be etched in our hearts. Her dedication to nurturing our young minds and guiding us on the path of righteousness will never be forgotten. The annual picnics at the beach were a testament to Glo's love for family and her desire to create lasting memories. We can still hear her laughter echoing through the waves as we built sandcastles and shared joyous moments together. Those carefree days filled with sunshine and laughter will forever remain a cherished part of our lives. To Glo's immediate family, we offer our deepest condolences during this difficult time. We know that her loss leaves a void that cannot be filled, but we hope that the memories of her love, kindness, and unwavering support bring you comfort and strength. May you find solace in knowing that she touched the lives of so many, leaving an indelible mark on our hearts. As we mourn the passing of our beloved cousin Glo, let us celebrate the incredible legacy she leaves behind. Her selflessness, faith, and unwavering love will continue to inspire us as we navigate life's journey. May her soul find eternal peace, and may her memory forever be a blessing to us all.*
