September 4, 1962 - April 8, 2023

### Life Story of Gregory Antonio Rollins

Gregory "Greg" Antonio Rollins was born to the late Elder Ezekiel Major Rollins and Mary Janie Rollins on September 4, 1962 in Miami, Florida. Being raised in a God-fearing home, Greg accepted Christ as his Lord and Savior at an early age. He was baptized by Elder Ezekiel M. Rollins in July of 1976 at Mt. Zion Primitive Baptist Church in Eustis, Florida.

He received his early education in the Miami-Dade Public School System and graduated from Eustis High School, Class of 1980. Greg was an avid athlete and would often share how he could have made it to the National Football League. When not in Miami, Greg spent much of his time traveling between Tallahassee and Gainesville, Florida visiting his family and working on his father's farm.

Continuing the family tradition, Greg obtained his college education at one of the most prestigious universities in the nation, Florida Agricultural and Mechanical University (FAMU). There, he received a dual degree in Public Administration and History. While spending his college years in Tallahassee, Greg lived in a house, then known as a "bachelor pad", built by his father at the corner of Rollins and Bennett Street. He also joined the first Prince Hall Masonic Lodge in Florida founded by his great-great-grandfather in 1870.

When not being a scholar or serving the community, Greg spent his time nurturing then-current and future familial bonds. Furthermore, the highlight of Greg's college years was spent courting Deadre Rollins, his college sweetheart whom he wed in 1986.

After college, Greg relocated to Miami, where he began his lifetime career of community activism and political engagement. Greg worked at Miami-Dade Corrections & Rehabilitation Department for nearly 30 years. His former coworkers described him as honorable, dedicated, and informed. He often, jokingly, claimed that he was also described as a "Fashion Guru."

Passionate about local and global organizational and social change, Greg found great joy in teaching the nonviolence principles of Dr. Martin Luther King Jr. He spent time abroad in Nigeria, where he was part of a small contingent responsible for training approximately 30,000 ex-militants from various states in the Niger Delta. He also served as a member and trainer of the Florida Martin Luther King Jr., Institute for Nonviolence for over 25 years. Greg's involvement in other community institutions and organizations included the Federation of Black Employees, NAACP, and P.U.L.S.E.

Greg has been a proud member of one of South Florida's premier churches, Mt. Olive Primitive Baptist Church for over 50 years. During his service at Mt. Olive, Greg served as Church School Superintendent and lead vocalist in the mass and male choir amongst various other active roles.

Greg was witty, generous, kind, creative, and honorable. He also was a serial entrepreneur with a love for learning and calculated risks. Most importantly, Greg was a man of great faith and vision. He had a firm understanding of the word and took great joy in spreading the Gospel. On April 8, 2023, the Master Architect of the Universe called Greg home. He finished his course, and now laid up for him is a Crown of Righteousness.

He leaves to cherish his memories; his loving and devoted wife of 36 years: Deadre King Rollins; Children: Tarik Khalid Rollins, Najja Akil Rollins, and Abani Zakiya Rollins; Grandson: Teigen Rollins; Mother: Janie Smith Rollins; Brothers: Elder Major E. Rollins, Jr. (Gwendolyn) of Tallahassee, FL., Jeffrey Rollins (Genefer) of Tallahassee, FL Cory Rollins of Tallahassee, FL and Charles Rollins (Felicia) of Tallahassee, FL. Sister: Mildred Rollins Black of Miami, FL; God Sister: Sheila Patterson; God Sons: Jahmal Rollins and Jonathan Rollins of Miami Florida, and a host of nieces, nephews, cousins, and friends.

Please leave the family a note of condolence, light a candle of remembrance, or order a floral remembrance piece.

Be comforted by these words:

"Blessed are those that mourn, for they shall be comforted."

“ Brother Rollins was truly one of a kind! His wisdom and knowledge had no limits to the many topics of the world and of the word of God. He captivated the attention of so many of us during our Sunday school lessons. He had a special way of teaching the stories of the Bible and connecting the lessons to everyday life like no other. Myself and other students would often tease him and refer to him as Deacon Rollins. He would simply chuckle and humbly reply Brother Rollins. He had such a great impact on the youth of Mt.Olive. He gave countless hours of advice to my two kids Essence and Trey. He always made it his business to counsel them about college, life as a young adult, and of course the word. He always managed to end the conversation with a joke and his signature chuckle and smile. My husband and I were so blessed to have him in our lives. Although our hearts are filled with sadness, were reminded of the many words of encouragement that he bestowed upon us during our season of grievances. We say thank you Brother Rollins. You were loved and appreciated here on Earth. To the entire Rollins family, we love you and were continuously praying that God continue to comfort and strengthen you each day.

“ Lord. Listen. Please hear my hearts cry. While cousin Greg belonged to you. I thank you for loaning him to us for 60 young years. When cuzzin Greg came around the good vibes started. Cousin Greg was the fly one. He was the first to let me pretend drive in his Jetta in the 80s. The first to have a moonroof. The first to help me properly pronounce SAAB, Volvo and Peugeot. He is actually the only one to pronounce my name perfectly and correctly Anne-nish-ah. Dang cuz you were the first to let me open a sunroof with that allen key looking tool! He was the fly sweater rockin cousin. Dapper. Mellow. Inspirational. He literally was the cousins glue, my personal archivist, my small business coach and my go-to for fides financial advice that mellow good advice when I needed that fatherly understanding. Cuzzn Greg would let me ask all the questions at Rollins Pointe events over catfish frying but he gracefully omitted the gossip and would chuckle. That sly grin would come over his face when I needed dates to match up to what my daddy would tell me about our history. He was MY lowkey fact checker. He was the when you get to FAMU call these 3 people and let them know youre in town. He was that cuzzo. Before social media he was my social family tree connector. He explained who was related to who. He taught me about our rich history, papa Charlie land folio and parcels. He explained the family tree and avoided the real estate portfolio politics gracefully. He explained that we Rollins came from greatness and to be ok with that as you drive through those Leon County streets!. In 1996 he said, Be okay Annisha with going to Tally. Youre a Rollins. Youre a rattler i, No need to feel bad about skipping the HBCU tour to Spellman and MorrisBrown. He was that cousin!â€i, Back then none of my Adults Cousins, 1st Aunts or 1st Uncles had kids so I was the practice baby. I guess all of these Rollins/Tooks spawns owe me! Ill forever miss you cuzzo and Dierdre and Tarik Alb Taj THANK YOU ALL for loaning him to the rest of the family. Theyll never be another one like him and I regret not calling back and returning that last missed call. Forever in our .Annisha Rollins i,

“ Bro. Rollins was a great man of God and to listen to him talk and speak about any and everything was always a blessing because the one thing amongst many other things he could do was be a speaker and connect with any individual. May your words of wisdom stay with me and your soul rest well with the Lord. Deepest condolences to your family at this time.

“ Brother Gregory A Rollins was indeed A Great Man of God. A Scholar of Gods Word. A Superb Speaker, Teacher, Mentor, Motivator and Counselor. He LOVED teaching Sunday School and helping people advance in the knowledge of God. As well as in other areas of life. He LOVED helping people. My Brother, my Friend you will truly truly be missed on this side of Heaven. But NEVER FORGOTTEN in the lives and hearts of so many you have helped and touched. Therefore we are always confident, knowing that, whilst we are at home in the body, we are absent from the Lord: We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord (2Corinthians 5:6 & 8).

“ Writing this is already brings tears to my eyes all over again. Gregory AKA Birdie, you were like a guardian angel in the flesh for me. Thank you for shining your light on my darkest days. Thank you for your guidance, patience, knowledge and speaking life into me. Thank you for always having the answer, and if you didn't you would find someone who did. Thank you for all the loong stories that were full of wisdom. Thank you for all the words of empowerment and always listening. Thank you for doing everything with such Grace. You truly left a mark in my life. I still find myself saying wait, let me call Greg for his advice and notice you won't reply. You are the true definition of a great mentor, friend, consultant, spiritual father. I thank God for blessing me with someone like you. You always said it, I must be favored. I truly believe it now. “ I first met Greg through mutual friends Dwight Drane and Cory Jiles. I had an immediate bond with this man. From that point to date, he would always contact me on certain holidays or out of the blue, just to see how I was doing and we would always talk about going out to catch up whenever Cory came into town with Dwight and Darryl. For a while we would always meet at Darryl Holsendorfs home and talk about old times. In all that time, going out with you him, having serious conversations, I do not recall this man ever getting upset, when he had every right to be, speak bad about another, when he had every right to be and was never in a negative mood, when had every right to be. He was always pleasant, giving a kind word, cracking a joke or laughing. I would see him on the bus going to work some days when we were catching the 95express from Hollywood boulevard and it was always a pleasure to see him. I am deeply saddened and wounded my dear friend is not with us anymore in this realm but I know he is with us in spirit. He was an absolute treasure and will surely be missed. Miss you much my dear friend.

Since the first grade Greg always had a smile on his face and a positive outlook on everything. His willingness to help others wasn't to get recognition or a pat on the back, it was just who he was. Vicki and I greatly appreciated how he was always looking out for our sons Jarrell & Deven and giving them timeless advice. “ My Deepest Sympathy to the Rollins Family, May the Love shared and fond memories bring you all comfort and peace. This is truly a shocker you all are in my thoughts and prayers, gone but not forgotten your MDCR coworker. RIP Mr. Rollins.

“ This is just unbelievable to me!! I'm currently grieving as I share with my other co workers the very difficult news about our Commander, Supervisor and friend Greg Rollins. He was one of the best Commanders over the Rehabilitation Service Bureau (better known as the counselor's office). I send my sincere condolences to the Rollins family and we are here to support you at this very difficult time. "To be absent from the body is to be present with with the Lord." 2Corinthians 5:8
