“ Mrs. Singleton was my 4th grade teacher at Hallandale ES. When I tell you this lady got me ALL the way together! Mrs. Singleton was the first teacher to ever whisper a few choice words to let me know that I'd better get myself together and that if I did not there was a promise of spanking my...well you know the rest. Needless to say, that was the turning point of my successful journey in education. She saw the BEST in me and made sure that I knew it! Rest in Heavenly Peace, Mrs. Singleton. Rest in peace...

“ So sorry to hear of the passing of Mrs. Singleton. I didn't remember until just now that she was the first to teach me about entrepreneurship. In 3rd or 4th grade she had the Singleton Moore Department Store at school where we purchased Christmas gifts with fake money. I can't believe this memory just came up as I am 51 years old. She also made the best conch in the world. Heavenly Peace.
