“ *I live across from Harold and he truly was a good kind human being. He always treated me with respect and always gave me good advise. I still am in disbelief that when I come home from work,he will not be at the steps greeting me with "Hey Darling" . Harold will be missed tremendously not just by me but by anyone who had the pleasure of knowing him. Rest In Peace Mr. Harold till we meet again*

“ Harold was a true friend, you could always count on, to bring your spirit up not down. He always greeted everyone with a smile. So you always looked forward to seeing him. He was caring and trustworthy, a true gentleman. Was busy making plans pursuing living life everyday. Making him a joy to talk to. There will be a space in my life where he has been. I will always remember him, as a great example of how to live. ”
