

## Hyacinth Whorms

April 1, 1945 - August 31, 2023

Hyacinth Whorms passed away on August 31. She was a seamstress and a Certified Nurse's Assistant.

Please leave the family a note of condolence, light a candle of remembrance or order a floral remembrance piece.

Be comforted by these words:

There is no night without a dawning

No winter without a spring

And beyond the dark horizon

Our hearts will once more sing...

For those who leave us for a while

Have only gone away

Out of a restless, care worn world

Into a brighter day.

“ *Tribute to the Late Hyacinth Whorms (Hya)â€-----  
----Hya, although it seemed like yesterday but it was in 1994 we met when our sons, Kenny, Raphiel, and Damian became good friends/brothers. They took turns living at each others homes and we as mothers looked out for them! When you got ill and Damion told Raphiel, it was not a hard decision for me to become your care-giver. Caring for you was sad (I did not want to see you sick), but special when your familiar laughs would ring out and you would give one of your signature jokes!Sadly, I had no idea that you would leave us so quickly and suddenly! This I know for sure, my family was ver fond of you!You went to sleep and shattered our hearts into little pieces but we take comfort that you are resting in the Arms of Our Saviour, Jesus Christ, the Conqueror of Death and Hell!"Death where now is thy sting, oh grave, where is thy victory!?"We miss you Hya!May your soul rest in peace and light perpetual shine upon you!Sadly missed by Joan Williams-Walker and family.*

“ *INNALILLAHI WA INNA ILAIHI RAJU'UN means Indeed, we belong to God, and Indeed, to Him, we shall return"O God forgive Hyacinth M. Whorms and have mercy on her, keep her safe and sound and forgive her, honor her rest and ease her entrance; wash her with water and snow and hail, and cleanse her of sin as a white garment is cleansed of dirt. O God, give her a home better than her home and a family better than her family. O God, admit her to Paradise and protect her from the torment of the grave and the torment of Hell-fire; make her grave spacious and fill it with light."Amenour condolences*

“ H-happy person Y-youthful spirit O-original Hyo has always been there for me, for over 40 years. Best dress maker & very dependable. I remember the many late nights waiting on my outfits. When she moved, I moved with her yard and abroad, every location she would move her business to. She was a family person always looking out for her family and always trying to help others. I will forever cherish the fun memories we've had over the years, and I'm happy I was with her in recent times. When I tell you she will be greatly missed that's an understatement. Shawn, Lexi, Damian, Carolyn, I'm truly sorry for your loss.

“ *Cousin Hyo as we all lovingly called was the best! I am kicking myself for not calling her more often. However , when we would talk, it was always, always so pleasant. She had the voice of an angel and I have never, ever heard her raise it an octave about kindness. I have never heard her complain through out her illness. I pray that she did not suffer much and thank God that she is at peace. ĩ,ĩ,*
