I know in order for me to truly live again and to be the best mom I can be I need to understand Gods plan and know your ok . I pray everyday that if I could just get one last word from you or gesture it'll all be ok. I miss your earthly presence. Your spirit and kindness was unmatched. “ *Those we love don't go away. They walk beside us everyday unseen, unheard, but always near still loved, still missed and very dear. You will be missed so much Ivan. Love Twan.*

To the family, dear god I pray to hold the family close as they deal with grief over the loved one we lost. I prey for divine wisdom for any tough decisions that have to be made, and that everyone grieving may find comfort in knowing he is in a better place. I love ya ❤️

“ He was the best big brother a girl can have ! Literally one of the kindest people you’ll ever meet in this lifetime . My brother was kind, strong-spirited, smart ,, very funny, playful, ambitious, charismatic, tenacious, handsome, a gentleman, an active brother, son, and uncle and he loved us very much and we loveee him. He will forever and always be my honeybun,, I will take all the advice he gave me ,, all the talks,, all the lessons , all the laughs and carry them with me forever. You are truly missed honeybun and truly irreplaceable and incomparable. There’s literally no one else like you. You were the man of the house and your presence was truly felt. You showed up for each and every one of us and you loved us unconditionally and unapologetically. I will miss your laughs and playful spirit . You are the true definition of love and genuineness 💕💕 Although I’m hurt I can truly see why God wanted you to come home .. because we want to keep the most precious things closest to us and you truly were so precious. I love you truly and deeply Ivan and I will take u with me wherever I go . You exercised and ran like nobodies business ,, I imagine you loved the freedom you felt while running, hair in the wind 💕💕 I always joked and said I’m gone come out there and run with you and you would say “maaaann” and start laughing or “come on right na una 🗄 uma wait on you” and we’ll say something funny and you’ll take off running ... but not this time babyy ... this the last lap and we all running with you 💕💕 ... I hope heaven is the safe place you imagined brother . I love you and thank you for everything 💕💕

“ My beautiful son, I just want you to know when you left you took a major part of my heart with you. My world will NEVER be the same. But I truly understand that GOD knew what was best for you. I truly believe you're with Him. The Bible teaches us that those who believe in God once they're gone the spirit goes directly to Him. Ivan, I know you're happy n at peace and thats what hives me comfort at night when I close my eyes. Ill always love n miss you 😊
