“ Thank you Grandpa for showing up for me when it mattered the most! So grateful for all you have instilled in me, the support and unconditional love.

Because of you I knew how to respect my elders, you taught me to roller skate, ride a bike, table manners and most importantly how to not dirty the walls. lol

Because of you I have a love for coconuts, sugar cane and mangos. Our summers in Miami will always be a highlight in my life! Thank you!

May God give you peace while you rest. Love you. 💕
