“ Dear Daddy,

You gave me life, love, happiness, compassion and a strong will power. Some days are harder than others without you but I remind myself of how much of you I carry with me. Our laughs, our conversations about life, watching Two in a Half Men with you and Mitchell and even teaching me my mechanics skills. You will forever be in Mitchell and my heart and we will continue to carry your legacy and your power in great dignity. Love always and forever, JAN

To the family of Jemie Noble, he touched all of our lives at the Caleb Center in one way or another! Nice fellow indeed, & I enjoyed working under his supervision! He permitted me to be the acting supervisor in his absence, & I was able to use that experience when I worked w/the 2010 Census! Cherish the memories that you had w/him, & live your lives to the fullest! My condolences & prayers for his surviving loved ones! ❤️🙏

I'm Regina Hayes we have a good times and bad times sometimes things don't end up as planned because I never thought I would have to be saying goodbye. But one thing I will always be grateful for is the daughter that be created together that bears your name so your memory will live on through her and our grandson. May God hold you in the palm of his hands until we meet again
