“ I remember when I was very young and thought I was invincible. I was working with Jimmy on a roof parapet. I kept harassing him to wrestle and he kept saying no we were at work and it was inappropriate. Me being the pain in the ass that I was, kept challenging Jimmy until he gave in. We squared off and Jimmy performed the countdown. The last thing I remember being vertical was the number 1 and the next thing I know, I was on my back. He took it easy on me but I will never forget how he showed both his strength and compassion at the same time. To his family, I am truly sorry for your loss and know that I loved Jim like a brother therefore I love you all like my family. May God look after you all and bless you going forward.

“ I am so sorry to hear the loss of Jimmy. He was a wonderful man with a kind heart . He could lighten up a room with his smile and laughter. Jimmy would give you the shirt off his back if you needed it, yet he stood strong for what he believed in. I know he cared deeply for his family and we will pray for everyone feeling the pain of losing Jimmy. The world has lost one of the good guys that made the world a better place.
