My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. John 14:

“ I am sorry to hear about your loss. The Bible assures us God is near to those that are broken at heart; and those who are crushed in spirit he saves. May these words bring you both comfort and strength during this difficult time.

“ I am so sorry for your loss. Life is so fragile... I know this is a very sad time for the family but we must remember as believers that this earth was never meant to be our permanent residence. Anthony is with his maker... no pain and watching as we remember him and celebrate his life.
