“ *Being the neighborhood kid that I was, meant that I was always visiting with the families of my friends and school mates. And that included the Hughley's home. I called Mr. Hughley, Mr. Hughley and my parents called him Punch. I would come over to their house to pay with Karen and I spent the night sometimes. I was also welcome in the Hughley's home. And for that I thank you. RIP Mr. Hughley All of y'all are together now.*
