“ YMCA Camp Carr in Clinton Township, NJ has provided thousands of children memorable summers, life skills, and many happy days. Jon was no exception. He embraced each day as a camper and then as a staff member. Jon did a great deal of growing up at camp, but his creativity and energy as a counselor sparked fun and friendships. Jon may be gone but he has left a lasting impression on camp colleagues and the groups of children he led. The Green Day song, "Time of Your Life", which is popular among camps captures it well: "...So take the photographs, and still frames in your mind Hang it on a shelf in good health and good time, Tattoos of memories and dead skin on trial For what it's worth it was worth all the while; It's something unpredictable, but in the end is right, I hope you had the time of your life..." Peace be with you Jon. With thoughts and prayers,Gina StravicYMCA Camp Carr Director 1982-1996
