“ *There are no words to express the love we have for Jonathon . I know that his purpose in life was to touch & change Our life. To me His mission on earth was completed . I know that he is with God the father right now looking over us ðŸ™ðŸ¼ In my heart he will forever be my Godson. My family and I loved him as we love David & the whole family. I am so sorry that Jonathon is no longer with us & that is selfish of me because He is now whole & pain free. There is nothing I can say to fill your emptiness but I know that God can. Remember that he loves you very Much ...He blessed you with him for a period of time. I love you ðŸœ¹*
