Be Comforted By These Words:

John 14 King James Version

14 Let not your heart be troubled: ye believe in God, believe also in me.

2 In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you.

3 And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.

4 And whither I go ye know, and the way ye know.

5 Thomas saith unto him, Lord, we know not whither thou goest; and how can we know the way?

6 Jesus saith unto him, I am the way, the truth, and the life: no man cometh

unto the Father, but by me.

“ *It was always his sound that captivated me. Joey was a true blues artist in every sense of the word. A lot of feeling was present when he played his guitar. His tone and style was delightful and he was as astute musically as only a true American blues/soul artist can be. We are feeling his loss and always will. Rest peacefully, Joey. You will never be forgotten.*

“ Legend is sometimes used for some that have not truly earned the title. In your case not only are you a Legend but an "Iconic Legend" Thank you for personally bringing me A copy your completed CD to "119 Big Daddy's" and Entrusting me to be among the first Disk Jockeys to review and play songs from it. We developed a bond that remained through the years. Thank you for being a positive influence on me both personally and musically/professionally. God has always been evident in your life. So take your rest my friend, you have earned it. I know you are safe in God's care.
