Kathiana Auguste passed away on December 2, 2024. She was born in Port au Prince, Haiti and made her home in Miramar. She worked as a Nurse in the healthcare industry. She will forever be remembered in love.

Please keep the family in your thoughts and prayers during this time of bereavement. Additionally, you can support the family by leaving a note of condolence, sharing a memory, lighting a candle of remembrance, or ordering a floral arrangement for the service.

May these words sustain those who are burdened with sorrow:

There's a very special garden  
Where the trees of memory grow  
Nurtured by the kindness  
And concern that good friends show.  
The roots are cherished memories Of good times in the past.  
The branches tender promises that souls endure and last.  
It's a place of peace and beauty  
Where bright new hopes can start  
It's memory's lovely garden that soothes the hurting heart.

“*Kathiana, I mourn your loss & celebrate your life. You will be forever loved & never forgotten. You were such a beautiful ,one of a kind soul. There's not enough words to describe who Kathiana was. We shared a special bond that can never be broken, there's no better sister like you. You were an amazing, loving, caring beautiful in & out, talented, worthy, important, special, unique, sassy, classy & irreplaceable. I lost a great part of me, the day that I lost you, my life has changed tremendously. Kathiana may have been one person to you all but for me she was my world. I was extremely blessed to have her by my side like a ray of sunshine, my ride or die & when I'm with her my life is filled with sparkles & gratitude of love. She wasn't just my Sister/God sister but my best friend, my shoulder to cry on, my secret box, my safe place, my knowing everything. Thank you my Poupouche for the great memories of love, your laughter, your sassiness, your kind & calm heart. The way you always treated me & my family specially my children just like your own! promise to continue to do the same for yours until my last day. I'll never forget your kindness, your love made my world a better place to live in. Your life is a blessing to me , my family & all. I'm grateful & I'm cherishing every moment we shared together, you will always be my beloved Sister. I miss you more than words can say. My heart is aches broken but your memory lives on, your love & your laughter will never fade. I'll carry you in my heart until we meet again. You were extremely exceptional to me. The world is dimmer without you in it. Your memory is a treasure we hold dear. Heaven truly gained a such beautiful soul. When someone you love becomes a memory, the memory becomes a treasure . I know, I know that is well with your soul. Like the Apostle Paul in second Timothy 4:7-8, you have fought the good fight and you have kept the faith. Now you'll receive the Crown of righteousness. I promise to see you again in Heaven & we'll never depart from each other. Rest easy in eternal peace My loving Poupouche. I love you deeply. Your loving Sister Daniace.*

“ « *Tout naît, tout vit, tout péri* » Il n'est indiqué nulle part le nombre de temps qu'on doit passer sur cette terre. On vit tous les jours sous les menaces de cette arme fatale qui peut nous terrasser d'une seconde à l'autre. La mort a fauché Katiana nous laissant dans une peine sans fin. Lorsqu'on se rappelle que le sang et la chair ne pourront pas participer au premier concert des séraphins, on doit chercher à se consoler. La mission de Katiana a pris fin sur cette terre, elle continue dans l'autre monde comme l'avait bien voulu son père créateur. Espérons que l'esprit de Katiana ne va pas prendre du temps pour trouver une autre enveloppe pour le bonheur de l'humanité car sa tendresse, son admiration, son sens de l'humour, son humanisme doivent continuer à se mouvoir. Que les portes de la maison du Créateur soient grandement ouvertes pour toi!

“ My grandma Kathy, I love you so much and I'm saddened we didn't spend a lot of time together due to long distance, everytime I seen you it's like your energy and love for me sparked the room because even though we weren't as close as I wanted, you still treated me with love. I love you☐

“ *My thoughts and prayers goes out to the family. Working in the presence of Katy was always with that joyous warm smile that lit up every room. The loss of Katy is felt by many. Katy and I always kept in touch with each other. She would always ask if I took my medication. No words can explain how lucky it was to have someone so wonderful that it makes it so hard saying goodbye.*

“ *My sister, Kathiana was a gem of a sister. She would defend me to the ends of the earth. I will miss her jokes, her laughter, her sassyness, and the unconditional love she showed towards me and our family. I pray to be half of the strong woman she was. I am comforted knowing that she is no longer in pain and is sleeping until Jehovah wakes her up. Rev. 21:3,4 Till then I will cherish our good times, our memories and I promise to care for our parents.*

“ Dear Kathiana's Family, I was deeply saddened to hear about Kathiana's passing. She was a truly remarkable person who brought joy and kindness to everyone around her. Her warmth and compassion created a lasting impact on our lives, and her absence leaves a void that will be felt by all who were fortunate enough to know her. During this difficult time, please know that my thoughts and prayers are with you and your family. I hope that you can find some solace in the beautiful memories shared with Kathiana, and may her spirit continue to inspire us all. With heartfelt sympathy, Nicole Miami VA
