“ Don't think of him as gone away,his journey's just begun.Life holds so many facets,this earth is only one.Think of him as resting from all pain,In a place of comfort where there are no days or years! Think of how he is wishing that you could know today how nothing but Your sadness,can really pass away and think of him as living ,in the hearts of those he touched!For nothing loved is ever lost,and he is loved soooo much!! My heartfelt condolences to all of you on the peaceful resting of your dad, grand-dad, great-grandfather. Dahlia C. Francis
