“ *Ms. Smith, as I usually called her was passionate, kind, loving, helping everyone, including myself. Whenever I checked my mail box and there is a package, Ms. Smith always find someone to helped if she thinks the package was too heavy for me to carry. Smith greets everyone and does her job well with a love for service above self. I still ring her phone hoping to get an answer. Rest in peace Ms. Smith. To the family, co-workers and friends may god grant you peace as you mourn the lost of your beloved family Ms. Smith.*

“ *She was my best friend's best friend. While I didn't have the pleasure of meeting her, she cared for and loved my best friend. This is incredibly sad. My condolences to the Smith family, and my BFF 😞*
