

Larchin L. Grant

July 26, 1941 - March 5, 2025

Larchin L. Grant passed away on March 5, 2025. He was born in Constitution Hill - St Andrew Jamaica, and later migrated to Miramar, Florida. In Jamaica, he worked as a Horticulturist where he grew the best variety of plants, flowers, trees and vegetables. He owned and operated several greenhouse and plant nurseries where his plants and flowers were frequently selected and rented for special events and ceremonies.

He was dearly loved and will be missed by his family, friends, and all who had the opportunity to share in his life.

Private service will be held.

We ask that you keep the family in your thoughts and prayers as they navigate this season of bereavement. If you wish to support them, you can leave a note of condolence, share a cherished memory, light a candle in his honor, or send flowers for the service.

May these comforting words bring solace to those who grieve:

When peace like a river attendeth my way,
When sorrows like sea billows roll;
Whatever my lot, Thou hast taught me to say,

"It is well, it is well with my soul."

“I was sad to hear the passing of Mr. Grant. He would encourage me whenever I visited his daughter Donna's house and was always cheerful. May the memories held deep inside your heart, help to comfort you. You're in my prayers, with deepest sympathy.

“Daddy, affectionally called Grandpa, you still hold a very special place in my heart. You are gone but will not be forgotten. You made us feel very special and everyone was 'darling' for you. I hope we will meet again on that resurrection morning when the dead in Christ shall rise first and we will understand it better then. Rest in peace as there is no more pain, no more care and no more tears.
Much love

“Daddy, do you remember when I was in Grade 3 and you came home from a PTA Meeting smiling from ear to ear? Mommy asked, "Why are you grinning like that?" You replied, Mrs. Gordon said, "Donna is the best girl in the world." "I'm glad you were thrilled, that I made you proud dad."

“Daddy was one of a kind! He had a fervor for life and always had a welcoming disposition, while taking life as it came. He had self-control in the way he discipline us as his children. Thank you dad, I learnt so much from observing you.
