And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. John 14:

“ I knew Leon and his family thru my brother Russell Frost Floyd III. They went to High School together graduated together. Did plays and sang together. He came to our church and sang and played piano quite often. My brother loved Leon and his family very much. Russell passed away 14 years ago. We were talking about Leon the other night when I Googled him and saw he had passed. I remembered Leon's beautiful smile..

“ Dear family and friends of Leon, I am sorry to hear about your loss. The loss of a love one is very painful and can cause grief and sadness. God's word the Bible provides us with a hope. In the Bible at Revelation chapter 21 and verse 4 it reassures us that God will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. We hold onto these words as promising and encouraging.
